

SCODY PERFORMANCE AND DESIGN

PERFORMANCE

You will perform at your best. SCODY designs each individual element of every garment specifically to achieve the right balance between comfort and function. Each garment is engineered for performance by combining many intricate enhancements which are based on feedback from both champion athletes and recreational athletes who push themselves and our garments to the limit.

DESIGN

You will look fantastic. SCODY delivers distinctive and original designs. We can bring your ideas to life so that you, your team or company stand out in a crowd. We set no restrictions on design or number of colours and we deliver designs in rich colour and fine levels of detail.
